FUTURIAN SEALBEARERS

One of the highest honors that can be earned by a Senior is the position of Sealbearer. Sealbearers are California High School students who have been members of California Scholarship Federation chapter for four semesters. Membership is open to students majoring in all fields, but for each semester's membership these students must have earned at least three A's and one B in solid subjects. Since this is a state club, the requirements are the same for every C.S.F. of each school. Sealbearers receive special recognition at graduation by wearing a gold stole over their robes and the gold seal of California is impressed on their diplomas.

You a great guy. I'll
always remember you. This
senior year has been one of
the best in my life. I should
be contributing to it. Keep in
touch over the years, and I'll
come. May all your dreams come
true & good things in life come your way.
